GENTIS SLEEPING

CHARMING CONTRASTS.

Gentis uses contrasts and outlines as stylistic elements in order to create a balanced overall feel: It teams up traditional with ultra-modern units, thus offering simplistic new shapes. Gentis offers an exciting design with a relaxed feel: The magnitude, power and nature of wood combined with elegant lacquered surfaces and noticeably down to earth units with a floating look. Gentis creates an emotional connection between an urban life rhythm and a natural charm. With maximum comfort, of course.

Version: knotted oak, pure white lacquer, nappa leather sand 5122, width of the bed unit approx. 3.3 m

PURE
DESIGN.

Version: knotted oak anthracite, silk grey lacquer, nappa leather anthracite 5104, width of the wardrobe approx. 2.7 m

Adding visual impact, ensuring a tidy look and perfectly matching the design concept – the Gentis open addon unit effortlessly does it all. The vertically positioned knotted wood finish connects the wardrobe and the open compartment whilst offering space for accessories and day-to-day clothes that can be hung on the side. The wardrobe can be planned as an intermediate or end unit.

Version: knotted core walnut, high-gloss grey lacquer, nappa leather grey 5125, width of the wardrobe approx. 3.1 m

Natural core walnut, used for the drawer unit in the highgloss wardrobe, the bed frame and the headboard, brings natural warmth and strength. Chrome units add accents, a leather application on the headboard makes reading in bed very comfortable.

STRONG CONTRASTS.

Gentis brings a confident, subtle and versatile look to the bedroom. The footboard, headboard and bed frame can be softly upholstered or accented with an extensive choice of elegant Nappa leathers in many colours or in one of the different stylish saddle leather shades. The ancillary units also add creative versatility – desinger units such as the sideboards are available in both suspended and freestanding versions.

The rounded end units of the low-, side- and highboards can optionally be fitted with drawers and/or hinge-doors.

Version: knotted core walnut, high-gloss white lacquer, nappa leather grey 5125

Gentis convincingly adds an elegant twist to the seemingly raw and natural approach. Natural wood and high-gloss lacquer form an ensemble, which is second to none. Elegant folding-sliding doors offer a panoramic view of your clothes. The integrated unit made from knotted 5-layer solid wood provides practical drawer space.

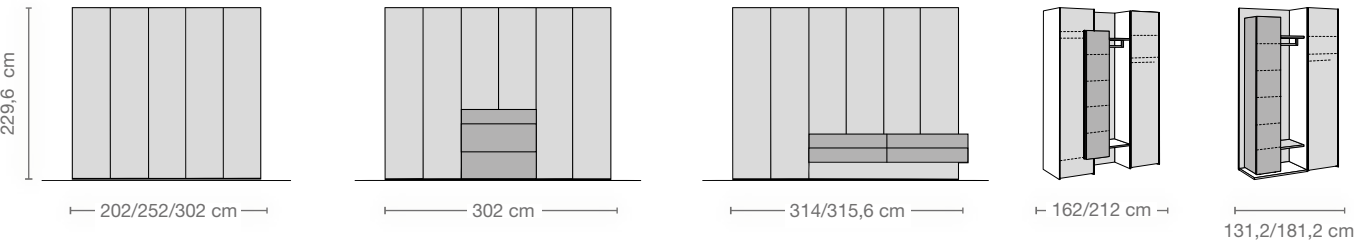

There are two headboard versions to choose from. They differ mainly with regard to the proportion of wood and leather: The wooden headboard with upholstered top section offers a soft support for the head. The fully upholstered headboard makes reading or watching TV in bed just as comfortable whilst providing a more modern, urban look. Both versions are available in high-quality Nappa or saddle leather in many colour shades ranging from subtle to bold.

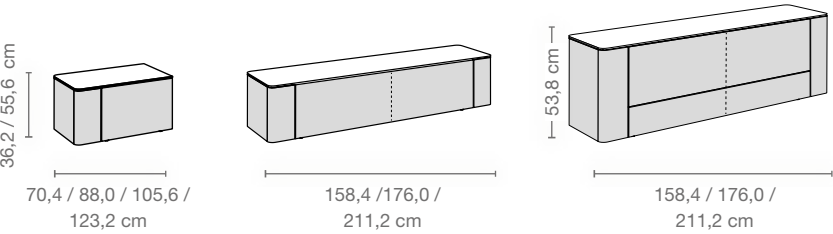

PRODUCT OVERVIEW

Hinge-door wardrobes / folding-door wardrobes / hinge-doors cloakroom units
Consisting of basic and extension units; optional with design- or intermediate units, depth 61,4 cm

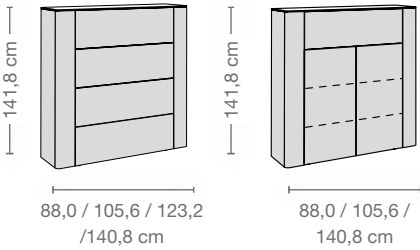

2 / 3 Raster lowboards

with rounded end
at one or both sides,

LIVE QUALITY

hülsta stands for quality made in Germany. As a tradition-rich, third generation family business from the Münsterland, hülsta values perfect craftsmanship in combination with modern manufacturing processes, whilst always focussing on the responsible use of natural resources. hülsta therefore exclusively uses wood from sustainable sources and never tropical wood, thus reducing transportation and protecting the environment. That is why all modular units and base frames from hülsta have been carrying the “Blue Angel” since 1996, an award for products that are low in emissions and environmentally friendly. hülsta – durable furniture in harmony with nature.

All of the products are extensively tested and are subject to strict quality criteria. For new purchases, hülsta always grants a 5-year guarantee. Always inclusive: unlimited support for questions and requests regarding furniture from hülsta.

The “Blue Angel” is subject to strict criteria. All modular units and base frames from hülsta have been awarded the “Blue Angel” since 1996 for being environmentally friendly and low in emissions.

Since 1974, hülsta has been part of the Deutsche Gütegemeinschaft Möbel (DGM) (German Quality Association for Furniture) and complies with their high standards for quality and consumer protection. hülsta effortlessly complies with the strict criteria that they use for their product testing.
